«GreetingLine»

I thought we might try opening the lines of communication between all of the members and tell everyone what has been going on in our post. I did not realize until now how far away some of you live and hopefully this will help all members know where their hard-earned money is going. Here is a quick update:

We handed out scholarships this year to three very deserving students of Duanesburg High School, totaling \$700.00.

We gave \$100.00 to the National Home for Children.

We plan on giving \$350.00 to the local Boy Scout Troop 51.

We received a \$1000.00 donation from the Town of Duanesburg.

We will be doing our annual Brooks chicken BBQ on Super Bowl Sunday. At our last barbeque, we had 150 chickens and sold out in two hours. We do plan on getting more this year, so if you have an idea how many you might want in advance, let me know and we will try to adjust the numbers so we can get the right balance. If you would like to participate, let me know.

I would like to hear from you. Examples: sick, shipped out, came home, and who needs help. If you would like to say Hi to some of your old or new friends, send me an email and I will put it in our newsletter. If you want information on filing claims or you have knowledge on how to do this, please contact me so we can take care of our fellow veterans.

I will also post information on Duanesburg Town web page. We are looking for new members. Know anyone?

HAPPY THANKSGIVING & VETERANS DAY
