#### TOWN OF DUANESBURG LOCAL LAW NO. 3 OF 2016

### A LOCAL LAW AMENDING THE SUBDIVISION ORDINANCE OF THE TOWN OF DUANESBURG

BE IT ENACTED by the Town Board of the Town of Duanesburg, in the County of Schenectady, as follows:

#### Section 1. Title of Local Law.

This Local Law shall be entitled "A Local Law Amending the Subdivision Ordinance of the Town of Duanesburg".

#### Section 2. Authorization.

This Local Law is enacted pursuant to the Municipal Home Rule Law and Article 16 of the Town Law of the State of New York.

#### Section 3. Purpose.

It is the intent and purpose of this Local Law to clarify the distinction between a subdivision of land which is subject to full scrutiny, review and approval by the Town Planning Board, and a mere lot line adjustment or minor subdivision (consisting of no more than two lots) which should be considered and permitted with a minimum burden imposed upon the involved property owner(s).

#### Section 4. Amendments to Article 2 of the Subdivision Ordinance titled "Definitions".

Article 2 is hereby amended to add the following new definition:

LOT LINE ADJUSTMENT - The relocation or revision of the boundary line of a lot to change the area of said lot and of an existing adjacent lot or lots, and which does not create any additional number of lots. A lot line adjustment shall not be considered a subdivision or a resubdivision.

## Section 5. Amendments to Article 3 of the Subdivision Ordinance titled "Platting Procedures".

Section 3.3 of Article 3 is hereby repealed and replaced with:

#### Section 3.3 Pre-Application Review

Requirements. The subdivider, or his duly authorized representative, shall attend the meeting of the Planning Board in order to discuss the intent and application of these regulations. At least ten (10) days prior to any regularly scheduled meeting, the subdivider shall submit to the Town Building Inspector ten (10) copies of a sketch plan of the proposed

subdivision as required by Section 3.3.2. (below). Within thirty (30) days of meeting with the subdivider, the Planning Board shall determine whether the sketch plan meets the purposes of these regulations and shall, where it deems necessary, make specific recommendations in writing to be incorporated by the applicant in the next submission to the Planning Board.

A subdivision may contain features of a technical nature which are such that the review and opinion of a licensed professional engineer may be required. The Planning Board may engage such licensed professional engineer who for the purposes of this Ordinance becomes the Town Engineer for this subdivision. The subdivider shall reimburse the Town for the fees charged by the Town Engineer and no plat shall be given final approval until such fees are reimbursed.

- 2 Sketch Plan. The sketch plan initially submitted to the Planning Board shall be based on the tax map information or some other similarly accurate base map at a scale (preferably not less than 200 feet to the inch) to enable the entire tract to be shown on one sheet. The sketch plan shall be submitted showing the following information:
  - (a) A vicinity map at a scale of one inch equals 2,000 feet indicating the location of the proposed subdivision in relation to major streets, streams and municipal boundaries;
  - (b) All existing structures, wooded areas, streams, existing bodies of water, easements, wetlands, railroads, cemeteries, drainage ditches, and other physical features, within the portion to be subdivided and within two hundred (200) feet thereof;
  - (c) All the utilities available at the property, and all streets which are either proposed, mapped or built;
  - (d) Contour lines at interval of not more than ten (10) feet;
  - (e) The location of any of the one hundred (100) year floodplain limit as shown on the HUD Flood Insurance Map;
  - (f) The layout and approximate dimensions and area of lots (including lot width and depth and area), street layout, recreation areas, systems of drainage, sewage utilities, and water supply (see Section 6.6), within the subdivided area, as well as proposed building locations, the applicable zoning requirements for lot area, width, side, front and rear yards, with an indication that each lot is equal to or in excess of these requirements; the location of zoning district boundary lines affecting the subdivision; and indication of any lots in which other than a residential use is intended;
  - (g) The name of the owner and applicant(s) and the names of all abutting owners adjacent to or for five (500) feet along the road.
- Classification. The Planning Board shall determine whether the sketch plan illustrates a Lot Line Adjustment, a Minor or a Major Subdivision, as defined by these regulations. The Board may require, however, that a Minor Subdivision comply with all or some of the requirements specified for Major Subdivisions, when it is deemed necessary for protection of the public, health, safety and welfare. If the sketch plan is classified as a Minor Subdivision, and not otherwise exempt under Section 3.3.3, the subdivider shall then comply with the procedure outlined in Section 3.4 of these regulations. If the application is classified as a Major Subdivision, the subdivider shall then comply with the procedures outlined in Section 3.5.

Adjustments or Minor Subdivisions from full scrutiny, review and approval by the Town Planning Board, as required by Section 3.4. The determination as to whether any proposed action should be exempt shall be within the reasonable interpretation and discretion of the Planning Board and shall only be considered upon application made and good cause shown by the owner(s) of the affected lots. If the Planning Board so determines that the proposed action neither creates nor increases any significant planning issues with respect to the existing or potential future use of any involved parcel(s), and in the instance of a Lot Line Adjustment, that no additional lots will be created as a result of the lot line adjustment, the Planning Board may, at its discretion, declare the proposed action to be exempt from any further subdivision review pursuant to this Article, whereupon it shall refer the application to the Code Enforcement Officer to complete the administration of the same.

Notwithstanding anything to the contrary, in the event the Planning Board is of the opinion that the primary purpose and intent of the proposed action is to develop the affected lot(s) in circumvention of the otherwise applicable subdivision review and proceedings, the application to treat such action as a Lot Line Adjustment may properly be denied.

- SEQRA. In accordance with its authority under the State Environmental Quality Review Act (SEQRA) regulations, particularly 6 NYCRR 617.5(b), the Town of Duanesburg hereby adopts the following actions as Type II actions that are not subject to review under SEQRA:
  - (a) Lot line adjustments
  - (b) Exempt minor subdivisions

#### Section 6. Supercession.

Pursuant to the powers granted by the Municipal Home Rule, this Local Law supersedes all provisions of the Subdivision Ordinance herein addressed, in so far as such statutes are inconsistent with this Law and any other laws or regulations of the Town of Duanesburg are superseded to the extent necessary to give this Local Law full force and effect. All other provisions shall remain the same.

#### Section 7. Severability.

Each separate provision of this Local Law shall be deemed independent of all other provisions therein, and if any provisions shall be deemed or declared invalid, all other provisions hereof shall remain valid and enforceable.

#### Section 8. Effective Date.

This Local Law shall take effect immediately upon filing in the office of the Secretary of State in accordance with Municipal Home Rule Law § 27.

NOV 1 0 2016

#### Town of Duanesburg Town Board

RESOLUTION # 130-16

TOWN OF DUANESBURG

#### November 10, 2016

WHEREAS, pursuant to Municipal Home Rule Law §10, "every local government shall have power to adopt and amend local laws not inconsistent with the provisions of the constitution or not inconsistent with any general law relating to its property, affairs or government"; and

WHEREAS, the Planning Board of the Town of Duanesburg (the "Planning Board") requested that the Town Board examine the Town Zoning Ordinance and Subdivision Law to revise them such that for lot line adjustments and two lot subdivisions the Planning Board's review could be streamlined; and

WHEREAS, the goal of this request was to shorten the review time for such minor applications and to ease the cost and complexity of such reviews, which costs are borne by the owners of property in the Town; and

WHEREAS, the Town Board has caused to be drafted and the Planning Board has participated in the drafting of two local laws which have been created to address the Planning Board's request.

NOW THEREFORE BE IT RESOLVED, that each member of the Town Board has received the attached proposed local laws amending the Town Zoning Ordinance and the Town Subdivision law; and

#### BE IT FURTHER RESOLVED,

That the Town Board directs the Town Clerk to provide the text of the local laws and the completed Short EAF to the Schenectady County Planning Department for its review pursuant to the NYS General Municipal Law §239-m; and

That the Town Board declares its intent to be SEQRA lead agency for the review of this Unlisted action; and

That the Town Board directs the Town Clerk to formally refer the local laws to both the Town of Duanesburg Planning Board and to the Town of Duanesburg Zoning Board of Appeals for their comments, if any, on the local laws; and

That the Town Board directs the Town Clerk to publish a separate notice of public hearing on each of the local laws in the Schenectady Gazette, each to appear once no later than ten (10) days before the date of the public hearing which shall take place at the regular meeting of the Town of Duanesburg Town Board at the Town Offices at 5853 Western Turnpike, Duanesburg, NY 12056 on December 8, 2016 at 6:45 p.m. and that such Notice of Public

Hearing accompanied by the Local Laws shall be and provided to the adjoining municipalities as required by the NYS General Municipal Law §239-nn.

By (unanimous/majority) vote of the Town Board of the Town of Duanesburg at its regular meeting on November 10, 2016.
