

BREAD AND GLUE DOUGH

children love to make this

MATERIALS:

3 slices white bread (any kind)

3 T. white glue

optional: 1 t. white shoe polish or acrylic paint

1 t. glycerin from drugstore

½ t. liquid detergent

3 drops lemon juice

* use *at least* one of the optional ingredients, or all of them

bowl

plastic bag

optional glaze

PROCESS:

1. remove crusts and tear bread into small pieces in bowl

2. mix ingredients together until it no longer sticks to fingers and is smooth (6-10 minutes)

hint: rub a few drops of glycerin on hands to prevent sticking

3. after kneading, place in plastic bag

4. model as with any clay

5. dry 24 hours

6. glaze if desired
