Motion carried, 5 ayes

Supervisor Wenzel stated that we spent a lot of time going over the budget to make it as lean as possible. It is 4.7% over last year on the town portion. The average assessed value of a home in town is \$60,000 and with a home with a \$60,000 assessed value they will see an increase of \$13.77 for the year on the town tax portion. With the increase in services from DVAC it was hard not to.

Council Member Potter said he is happy with the budget. We added services. We have always struggled here to keep them as low as we can. Pleased with what we came up with.

Council Member Lucks agreed.

Resolution 131-22: Council Member Lucks motioned, seconded by Council Member Potter to approve Professional Services Invoices No. 6 in the amount of \$2,658.17 and Professional Services Invoice No. 7 in the amount of \$13,462.34 from Delaware Engineering Services, D.P.C.

Re: Oak Hill Solar 1, LLC and Oak Hill Solar 2, LLC Perimeter Road

Dear William Wenzell,

Oak Hill Solar 1, LLC and Oak Hill Solar 2, LLC (the "Project") March 28, 2022 Revision J Issued For Construction site plan does not reflect a 53' container approximately 900 feet north of Duanesburg Road, parking for this container, and a perimeter road outside the fence. I request that the Project be brought into compliance with the approved site plan.

At least three days a week hunters use a 53 feet in length shipping container that is located approximately 900 feet north of Duanesburg Road and east of the Project's access road. This building is not found on the site plan. Surrounding the building is parking and gravel areas. I have seen at least eight vehicles and all terrain vehicles parked daily.

The hunters drive diagonally to the north east across wetlands and then north outside the eastern fence line. At the northern property line the hunters cross into the abutting parcel with tax id 74.00-2.11.2. Their vehicles may traverse this route multiple times during a day.

Additionally, Project's construction workers drive gators and all terrain vehicles outside the perimeter of the fence compacting the fragile soils. This is creating a dirt road.

This vehicular traffic compacts the soils. The compacted soils may increase storm water pollution to the abutting lands. Stormwater may increase in the gully between 74.00-2-11.2 and 74.00-3-19. This gully drains into National Wetland Inventory riverine that eventually flows into the Schoharie Creek. The increase in traffic and stormwater may not be considered in the stormwater pollution prevention plan.

Curiously, Steve Feeney, Schenectady County Department of Economic Planning and Development, September 24, 2018 email states "Have these guys done a wetlands survey yet? From the aerial it looks wet. Also, the site plan references a 20' wide gravel access road around the perimeter, but doesn't actually show it." For your convenience the email is attached.

A 53' container 900 feet north of Duanesburg Road, associated parking and a perimeter road outside the fence is not shown in the site plan or other application documents.

Developers and their contractors should be compliant with the approved site plan. Additional structures, parking and roads should not be added to the Project wherever and whenever the developer wants.

I request that the town code enforcement officer and a town board member visit the site to inspect the Project's unplanned and undocumented 53' building, parking, and perimeter road for compliance with the approved site plan. If found non-compliant, then I request that the building and parking area are removed and that any traffic outside the fence is limited to fence maintenance and visual evergreen tree screen maintenance.

Thank you for your time and consideration.

Respectfully,
Susan Biggs

Dale,

Have these guys done a wetlands survey yet? From the aerial it looks wet. Also, the site plan references a 20' wide gravel access road around the perimeter but doesn't actually show it. They only show an access drive coming into the site from State Rt. 7. Did they provide a construction detail for the road?
