### **Discussion**

Supervisor Tidball gave a brief overview of the 2021 budget and how the board came up with the budgeted amounts. There are no major increases. Sewer district No. 1 lost some EDUs due to a clerical error last year and that cost will go up a bit. We will need to increase our emergency services as DVAC has paid EMTs in during the week services for that will run around \$30 per parcel. Our health insurance cost is going up about 7%. We are taking some money out of the reserve to help with the increases. Anyone else wish to add anything?
