

**William Wenzel**, Town Supervisor  
**Jennifer Howe**, Town Clerk  
**Carol Sowycz**, Deputy Town Clerk  
**William Reed**, Highway Superintendent

**Michael Santulli**, Council Member  
**Francis R. Potter**, Council Member  
**Dianne Grant**, Council Member  
**Andrew Lucks**, Council Member

**Thursday September 28, 2023**

**Regular Town Board Meeting**

**Meeting Time: 7:00PM**

**Meeting called to order by Supervisor Wenzel at 7:00PM**

**Present:** Supervisor Wenzel, Council Members Lucks, Grant and Santulli, Town Clerk Jennifer Howe, Town Attorney Terresa Bakner

**Absent:** Council Member Potter

**Call to Order**

**Pledge of Allegiance**

**Prayer/Moment of Reflection**

**Continuation of Public Hearing: "A Local Law Regarding Tax Exemptions For Members Of Volunteer Fire Companies Or Volunteer Ambulance Services".**

Council Member Santulli motioned, seconded by Council Member Lucks to open the floor for comments.

Motion carried, 5 ayes

No one wished to comment.

Council Member Lucks motioned, seconded by Council Member Santulli to close the public hearing open until the next meeting.

Motion carried, 5 ayes

**Resolution 123-23:** Council Member Lucks motioned, seconded by Council Member Grant to approve the Town Board Meeting minutes of Thursday, September 14, 2023.  
Motion carried, 4 ayes Council Member Potter abstained.

**Supervisor, William Wenzel read the Supervisor's Report for August 2023 (Please see attached).**

**Resolution 124-23:** Council Member Lucks motioned, seconded by Council Member Grant to pay the attached Payment of Claims (Please see attached).  
Motion carried, 5 ayes

**Highway:** Highway Superintendent Reed reported that the crew was able to finish up the emergency repair on Delevan Road. Sent them out this week to fill potholes from wear last winter. Plow frames are on the trucks and ready for winter. Mower is back together and ready to finish up the final mowing.

**Public Safety:** Council Member Grant stated that the training on active shooters at the Duaneburg High School went well. It was good to have everyone working together. There is a sit-down turkey dinner planned at DVAC on October 27<sup>th</sup>.

**Parks:** Supervisor Wenzel reported that there is a tentative meeting planned for next week. Waiting on getting some more information in for future items that they are planning. We are working on obtaining quotes to have the tennis courts resurfaced at Shafer Park.

**Sewer District #1, 2 &3:** Council Member Lucks reported that we are still working on getting quotes for a plow for the sewer truck. We have two quotes currently and we are still waiting on one more.

**Technology:** Council Member Santulli had nothing to report. Supervisor Wenzel reported that he had a call with Charter Spectrum on the homes that still need to be serviced. Each time we discuss with them the cost it does come down, but they are still drastically high.

**Other:** Council Member Grant wanted to bring up the conversation she had with Alan Knight and the Duane Lake Association. They are having an issue with the septic systems around the lake and the culvert. We can discuss further during the privilege of the floor at the end of the meeting.

**Business Meeting:**

**Resolution 125-23:** Council Member Potter motioned, seconded by Council Member Grant to set a public hearing for the purpose of hearing all persons interested in the matter of: The Assessment Roll for the Duanesburg/Delanson Sewer District No. 1, the Mariaville Lake Sewer District No. 2, and the Duanesburg Sewer District No. 3.

Motion carried, 5 ayes

**Resolution 126-23:** Council Member Grant motioned, seconded by Council Member Potter to approve the amended Town Procurement Policy.

Motion carried, 5 ayes

**Resolution 127-23:** Council Member Lucks motioned, seconded by Council Member Grant to authorize the purchase of a snow removal vehicle and equipment.

Motion carried, 5 ayes

Council Member Santulli noted that used equipment was looked into also and this was found to be the best option.

**Resolution 128-23:** Council Member Lucks motioned, seconded by Council Member Santulli to set a public benefit fee of one thousand dollars per megawatt of the rated design capacity of the Utility Scale Solar Energy System.

Motion carried, 5 ayes

Supervisor Wenzel stated we do have some additional applications in front of the Planning Board at this time. When we put the committee together a few years ago to draft a new solar law one of the things that we found was that this was very common for municipalities to assess this fee. In many cases this fee becomes a green space fee to be used to make improvements at parks.

**Resolution 129-23:** Council Member Santulli motioned, seconded by Council Member Lucks to adopt Local Law No. 2 of 2023 entitled, "A Local Law Regarding Tax Exemptions for Member of Volunteer Fire Companies or Volunteer Ambulance Services".

Motion carried, 5 ayes

**Resolution 130-23:** Council Member Potter motioned, seconded by Council Member Grant authorize the Duanesburg Town Court to apply for a grant.

Motion carried, 5 ayes

Supervisor Wenzel stated that annually the Office of Court Administration allows towns to apply for this grant. Not sure what the judge has specified he is going to look for with the grant this year, but he has made applications for the grant and the town board endorses that.

**Resolution 131-23:** Council Member Grant motioned, seconded by Council Member Potter to accept the Tentative 2024 budget as presented.  
Motion carried, 5 ayes

Supervisor Wenzel stated that discussion on this is that the Office of the State Comptroller requires that we have the tentative budget presented by the 30<sup>th</sup> of September. We spent many a long night session together working on this. It is a preliminary budget, so it is subject to some minor adjustments. The primary change that we see as we had discussed at the last meeting is the fact that the Duaneburg Ambulance is at a juncture where they will be increasing the number of personnel so that they had paid coverage 24/7, there are still volunteers involved. But the increase in the budget on that as of right now and this is preliminary, we are not done yet. The average house in the town has an assessed value of \$60,000. We talked with the assessor, the total implication on the town part of that tax for a \$60,000 assessment is around \$70 per residence.

**Privilege of the Floor:**

7:31

Alan Knight of West Duane Lake Road read statement on behalf of the Duane Lake Association (see attached).

Town Attorney Bakner asked about the call with county officials. Alan Knight answered with there was no practical assistance.

David Elliott of West Duane Lake Rd. wanted to provide more details about the culvert. In the 1970's the town put the culvert in which raised the elevation of the lake. We would like to see the culvert and spillway removed and bridge installed.

Jose Flores of Duane Lake Rd. brought pictures (see attached). We are asking you send the Highway Department up to take care of it and clean it up.

Chris Miller of West Duane Lake Road has been asked to share with the board the petitions (see attached).

Bob Eager of Lawson rd. stated that he has a Zoning infraction with a neighboring property owner. They had a garage built sometime before I purchased the land. I had a hunch the garage was too close to my property line., had it surveyed. I found out from the town that they had applied for a variance from 40ft to 20ft and were denied. Got a building permit and went ahead

and built it, it is less than 10 ft. I'm looking for under the Zoning Ordinance Section 14.4 they are to be notified in writing that they are in violation.

Town Attorney Bakner stated that this occurred more than 10 years ago. For the town now to seek to bring an action against the property owner for building something for which they had a town building permit to do, in my judgement I'm not sure that makes a lot of sense. For this to occur and be in place for so many years just puts the town in an impossible position to enforce about something that happened many years ago. In the law there is a concept called LATCHES, so you are required if you object to something to commence a lawsuit during a reasonable period of time.

Ken Pearsall of West Duane Lake stated that what Alan Knight has described is critical but not the only impact. There are homes that have lost shoreline due to the shoreline erosion.

Kathleen O'Brien of West Duane Lake Road believes the replacement of the culvert is needed. Especially with 100% reimbursement programs from the state. I ask that you really look into this.

Jim Mugits of South Shore Road had a question about the property question from Bob Eager. Why was this not noticed when the property was inspected with the Building Permit? Town Attorney Bakner stated that the Building Inspector did go and inspect it and issued a Certificate of Occupancy at the time. Jim Mugits asked why he would do that is the variance was denied? Town Attorney Bakner because I believe the maps, he was looking at showed it had been moved the appropriate feet.

Supervisor Wenzel forgot to read a statement from Lynne Bruning (see attached).

Council Member Grant motioned, seconded by Council Member Lucks to adjourn. 8:04 pm

I, Jennifer, Town Clerk of the Town of Duanesburg, so hereby certify that this is a true and accurate transcript of the Regular Town Board Meeting held on Thursday September 28, 2023.

Continuation from September 14, 2023 Meeting

**TOWN OF DUANESBURG TOWN BOARD**

**RESOLUTION 125-3**

**September 28, 2023**

**WHEREAS**, the Assessor to the Town of Duanesburg has completed and filed the assessment roll for the Duanesburg/Delanson Sewer District No. 1, the Mariaville Lake Sewer District No. 2, and the Duanesburg Sewer District No. 3 (the "Roll"), pursuant to Article 15 of the New York State Town Law.

**NOW, THEREFORE, BE IT RESOLVED**, that pursuant to Town Law § 239, the Town Board shall meet and hold a public hearing on October 12, 2023 at 7:00 p.m. at the Town of Duanesburg Town Hall, 5853 Western Turnpike, Duanesburg, New York, to hear and consider any objections which may be made to the Roll (the "Public Hearing"); and

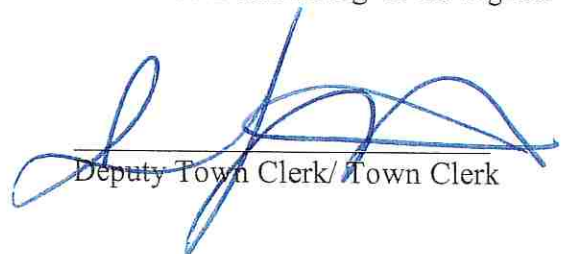

**BE IT FURTHER RESOLVED**, the Town Board directs the Town Clerk to publish the Notice of Public Hearing, attached hereto, in the Schenectady Daily Gazette to appear once not less than ten (10) and no more than twenty (20) days before the date of the Public Hearing; and

**BE IT FURTHER RESOLVED**, the Town Board directs the Town Clerk to cause the Letter Notice of Public Hearing, also attached hereto, to be mailed to each property owner not less than ten (10) and no more than twenty (20) days before the date of the Public Hearing; and

**BE IT FURTHER RESOLVED**, the Town Board directs the Town Clerk to cause a copy of the Notice of Public Hearing to be posted on the sign board of the Town of Duanesburg, and the Town of Duanesburg website, not less than ten (10) and no more than twenty (20) days before the date of the Public Hearing.

By (unanimous/majority) vote of the Town Board of the Town of Duanesburg at its regular meeting on September 28, 2023.

**TOWN OF DUANESBURG TOWN BOARD**

**RESOLUTION 126-23**

**September 28, 2023**

**WHEREAS**, the Town of Duanesburg requires the ongoing purchase of equipment and services for the provision of quality services to its residents; and

**WHEREAS**, New York State General Municipal Law (GML) authorizes municipalities to use contracts from other federal, state or county agencies that authorize "Piggybacking" and / or are based on "Best Value" as a more flexible means of procurement; and

**WHEREAS**, the attached Town Procurement Policy has been revised to authorize the use of "Piggybacking" and use of "Best Value" to use contracts bid by other agencies as provided in GML Section 103(16); and

**WHEREAS**, the Town Board also is updating the procurement policy to insert the name of the new Deputy Town Clerk;

**NOW, THEREFORE, BE IT RESOLVED**, that the Town Board approves and amends the Town's Procurement Policy and the amended copy is attached hereto.

By (unanimous/majority) vote of the Town Board of the Town of Duanesburg at its regular meeting on September 28, 2023.

## PROCUREMENT POLICY FOR THE TOWN OF DUANESBURG

1. Every purchase to be made must be initially reviewed to determine whether it is a purchase contract or a public works contract. Once that determination is made, a good faith effort will be made to determine whether it is known or can reasonably be expected that the aggregate amount to be spent on the item of supply or service is not subject to competitive bidding, taking into account past purchases and the aggregate amount to be spent in a year.

The following items are not subject to competitive bidding pursuant to Section 103 of the General Municipal Law:

- purchase contracts less than or equal to \$20,000;
- public works contracts less than or equal to \$35,000;
- emergency purchases;
- certain municipal hospital purchases;
- goods purchased from agencies for the blind or severely handicapped;
- goods purchased from correctional institutions;
- purchases under State and County contracts; and
- surplus and second-hand purchases from another governmental entity.

The decision that a purchase is not subject to competitive bidding will be documented in writing by the individual making the purchase. This documentation may include written quotes from vendors, a memo from the purchaser indicating how the decision was arrived at, a copy of the contract indicating the source which makes the item or service exempt, a memo from the purchaser detailing the circumstances which led to an emergency purchase, or any other written documentation that is appropriate.

2. All goods and services not subject to competitive bidding pursuant to Section 103 of the General Municipal Law will be secured by use of written requests for proposals, written quotations, or any other method that assures that goods or services will be purchased at the lowest price and that favoritism will be avoided.

3. a At a minimum, the following method of purchase will be used when required by this policy in order to achieve the highest savings:

ESTIMATED AMOUNT OF PURCHASE  
CONTRACT

\$500.00 - \$4,999.00

METHOD

2 Written/Fax Quotations or  
written request for proposals

\$5,000.00 - \$20,000.00

3 Written/Fax Quotations or  
written request for proposals

ESTIMATED AMOUNT OF PUBLIC WORKS  
CONTRACT

METHOD

\$500.00- \$4,999.00

2 Written/Fax Quotations or  
written request for proposals

\$5,000.00 - \$35,000.00

3 Written/Fax Quotations or  
written request for proposals

A good faith effort shall be made to obtain the required number of proposals or quotations. If the purchaser is unable to obtain the required number of proposals or quotations, the purchaser will document the attempt made at obtaining the proposals. In no event shall the failure to obtain the proposals be a bar to the procurement.

b. Pursuant to General Municipal Law section 103, purchase contracts of over \$20,000 (including contracts for service work, but excluding any purchase contracts necessary for the completion of a public works contract pursuant to article eight of the labor law) may be awarded on the basis of best value, as defined in section one hundred sixty-three of the state finance law, to a responsive and responsible bidder or offeror in the manner provided by section 103 of General Municipal Law.

4. Documentation is required of each action taken in connection with each procurement. In all events, the person requesting the purchase shall be required to complete a project quote history form as established by the Town of Duanesburg, including copies of all substantiation documentation. In no event shall purchases falling within this policy be made without such compliance.

5. Documentation and an explanation is required whenever a contract is awarded to other than the lowest responsible offeror. This documentation will include an explanation of how the award will achieve savings or how the offeror was not responsible. A determination that the offeror is not responsible shall be made by the purchaser and may not be challenged under any circumstances.

6. Pursuant to General Municipal Law Section 104-b(2)(g), the procurement policy may contain circumstances when, or types of procurement for which, in the sole discretion of the governing body, the solicitation of alternative proposals or quotations will not be in the best interest of the municipality. In the following circumstances it may not be in the best interest of the Town of Duanesburg to solicit quotations or document the bases for not accepting the lowest bid:

7.

a. Professional services or services requiring special or technical skill, training, or expertise. The individual or company must be chosen based on accountability, reliability, responsibility, skill, education and training, judgment, integrity, and moral worth. These qualifications are not necessarily found in the individual or company that offers the lowest price and the nature of these services are such that they do not readily lend themselves to competitive procurement procedures. In determining whether a service fits into this category the Town Board shall take into consideration the following guidelines: (a) whether the services are subject to State licensing or testing requirements; (b) whether substantial formal education or training is a necessary prerequisite to the performance of the services; and (c) whether the services require a personal relationship between the individual and municipal officials. Professional or technical services shall include but not be limited to the following: services of an attorney; services of a physician; technical services of an engineer engaged to prepare plans, maps and estimates; securing insurance coverage and/or services of an insurance broker; services of a certified public accountant; investment management services; printing services involving extensive writing, editing, or art work; management of municipally owned property; and computer software or programming services for customized programs, or services involved in substantial modification and customizing of pre-packaged software.

b. Emergency purchases pursuant to Section 103(4) of the General Municipal Law. Due to the nature of this exception, these goods or services must be purchased immediately and a delay in order to seek alternate proposals may threaten the life, health, safety, or welfare of the residents. This section does not preclude alternate proposals if time permits. This section does not waive the requirement that only the appropriate officer, board or agency of the Town is authorized to make purchases.

c. Purchases of surplus and second-hand goods from any source. If alternate proposals were required, the Town Board may be precluded from purchasing surplus and second-hand goods at auctions or through specific advertised sources where the best prices are usually obtained. It is also difficult to try to compare prices of used goods and a lower price may indicate an older product.

d. Goods or services under \$ 500.00. The time and documentation required to purchase through this policy may be more costly than the item itself and would therefore not be in the best interest of the taxpayer. In addition, it is not likely that such de minimis contracts would be awarded based on favoritism.

e. "Piggybacking" pursuant to Section 103 (16) of General Municipal Law. Notwithstanding the provisions of subdivisions one, two and three of GML section 103, and

section 104 of GML, the Town Board for the Town of Duanesburg is authorized to make purchases of apparatus, materials, equipment or supplies, or to contract for services related to the installation, maintenance or repair of apparatus, materials, equipment, and supplies, may make such purchases, or may contract for such services related to the installation, maintenance or repair of apparatus, materials, equipment, and supplies, as may be required by such political subdivision or district therein through the use of a contract let by the United States of America or any agency thereof, any state or any other political subdivision or district therein;

- i. Such contract must be let to the lowest responsible bidder or on the basis of best value in a manner consistent with GML section 103 and made available for use by other governmental entities;

ii. The authority provided shall not relieve any obligation of such political subdivision or district therein to comply with any applicable minority and women-owned business enterprise program mandates and the preferred source requirements of section one hundred sixty-two of the state finance law.

7. Any purchase to be made pursuant to this Procurement Policy, regardless of the estimated amount of the purchase or the circumstances upon which it is made, must be obtained from a Town of Duanesburg listed approved vendor. No vendor will be approved until the vendor acknowledges in writing receipt of, and agreement to comply with, this Procurement Policy. The list of approved vendors is subject to change from time to time.

8. The individual or individuals responsible for purchasing and their respective titles are as follows:

Jen Howe - Town Clerk  
Carol Sowycz - Deputy Town Clerk  
William Wenzel – Town Supervisor

This information shall be updated biennially.

9. Standard utilities such as electric service, telephone service, internet service and the like are not subject to this Procurement Policy, Additionally, the following purchases procured under State contract pursuant to Section 104 of the General Municipal Law or competitive bidding pursuant to Section 103 of the General Municipal Law are not subject to this Procurement Policy so long as documentation of such procurement is provided to the Town Board:

- a. Oil, grease and other fluids necessary for regular maintenance of vehicles and equipment
- b. Ice control sand and salt  
Diesel, gasoline and/or kerosene delivered Crusher run, pothole patch, and/or paving material Fuel oil

10. This policy shall go into effect on September 28 , 2023 and be reviewed annually.

**TOWN OF DUANESBURG  
RESOLUTION 127-2023**

**Authorization for Snow Removal Vehicle and Equipment**

**BOND RESOLUTION DATED September 28, 2023**

**RESOLUTION AUTHORIZING THE PURCHASE OF SNOW REMOVAL VEHICLE AND EQUIPMENT AND AUTHORIZING THE ISSUANCE OF SERIAL BONDS IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$344,770.00 OF THE TOWN OF DUANESBURG, SCHENECTADY COUNTY, NEW YORK, PURSUANT TO THE LOCAL FINANCE LAW TO FINANCE SAID PURPOSE AND DELEGATING THE POWER TO ISSUE BOND ANTICIPATION NOTES IN ANTICIPATION OF THE SALE OF SUCH BONDS TO THE TOWN SUPERVISOR**

**BE IT RESOLVED**, by the Town Board of the Town of Duanesburg, Schenectady County, New York (the "Town") as follows:

Section 1: The specific purpose (hereinafter referred to as "purpose") to be financed pursuant to this resolution is the purchase of a snow plow truck (2025 Model HV513 SFA) and related snow plow equipment. The maximum cost of said purpose shall not to exceed \$344,777.00.

Section 2: The plan for the financing of such maximum cost is by issuance of \$344,770.00 Serial Bonds (Town of Duanesburg Snow Plow Equipment Project), Series 2023 (the "Bonds") of the Town of Duanesburg and is hereby authorized to be issued therefore pursuant to the Local Finance Law of the State of New York.

Section 3: It is hereby determined that the period of probable usefulness of the aforesaid specific object or purpose is fifteen (15) years, pursuant to subdivision 28 of paragraph (a) of Section 11.00 of the Local Finance Law of the State of New York. The bonds to be issued pursuant to this resolution will have a maturity date no more than five (5) years from the date of issuance.

Section 4: The faith and credit of the Town of Duanesburg are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made by the Town of Duanesburg in each year sufficient to pay the principal of and interest on such Bonds becoming due and payable in such year. There shall annually be levied on the taxable real property of the residents within the Town of Duanesburg, who are benefiting from the Project, a tax without limitation as to rate or amount sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 5: The Town has determined that the Snow Plow Equipment Project is a Type II action that will not have a significant effect on the environment and, therefore, no other determination or procedures under the State Environmental Quality Review Act ("SEQR") is required.

Section 6: All other matters except as provided herein relating to the serial bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same shall be determined by William Wenzel, Supervisor, as the chief fiscal officer of the Town of Duanesburg, under the Local Finance Law of the State of New York. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law of the State of New York, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law of the State of New York, as the Town of Duanesburg Supervisor shall determine consistent with the provisions of the Local Finance Law of the State of New York.

Section 7: The validity of such bonds may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which the Town of Duanesburg is not authorized to expend money; or
- 2) The provisions of applicable law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or
- 3) Such obligations are authorized in violation of the provisions of the Constitution of the State of New York.

Section 8: The temporary use of available funds of the Town, not immediately required for the purpose or purposes for which the same were borrowed, raised or otherwise created, is hereby authorized pursuant to section 165.10 of the Local Finance Law, for the capital purposes described in the Resolution. The Town then reasonably expects to reimburse such expenditure with the proceeds of the bonds or bond anticipation notes authorized by this Resolution. This Resolution shall constitute the declaration of the Town's "official intent" to reimburse the expenditures authorized in this Resolution with the proceeds of the bonds and notes authorized herein, as required by the United States Treasury Regulations Section 1.150-2.

Section 9: Subject to the provisions of this Resolution and of the Local Finance Law, Subject to the provisions of this Resolution and of the Local Finance Law, pursuant to the provisions of Section 30 relative to the authorization of the issuance of bond anticipation notes or the renewals of said notes and of Sections 21, 50, 56-60 and 63 of the Local Finance Law, the powers and duties of the Town Board pertaining or incidental to the sale and issuance of the obligations herein authorized, including but not limited to authorizing bond anticipation notes, determining whether to issue bonds with substantially level or declining annual debt service and prescribing the terms, form and contents and as to the sale and issuance of the bonds herein authorized and of any bond anticipation notes issued in anticipation of said bonds, and the renewals of said notes, are hereby delegated to the Town Supervisor or Deputy Supervisor, as Chief Fiscal Officer of the Town.

Section 10: Upon this resolution taking effect, the same shall be published in officially designated newspaper of the Town of Duanesburg, having a general circulation in said Town of

Duanesburg, and which is hereby designated as the official newspaper of the Town of Duanesburg, Schenectady County, State of New York, for such purpose, together with a Notice of the chief fiscal officer of the Town of Duanesburg in substantially the form provided in Section 81.00 of the Local Finance Law of the State of New York.

The question of the adoption of the foregoing resolution was duly put to a vote on roll call, which resulted as follows:

**CERTIFICATION**

STATE OF NEW YORK                    )  
  )     SS.:  
COUNTY OF SCHENECTADY            )

I, the undersigned Town Clerk of the Town of Duanesburg, DO HEREBY CERTIFY:

That I have compared the annexed extract of the minutes of the meeting of the Town Board of the Town of Duanesburg (the "Town of Duanesburg"), including the resolutions contained therein, held the 28<sup>th</sup> day of September, 2023, with the original thereof on file in my office, and that the same is a true and correct copy of the proceedings of the Town of Duanesburg and of such resolutions set forth therein and of the whole of said original insofar as the same related to the subject matters referred to therein.

I FURTHER CERTIFY that all members of said Town of Duanesburg had due notice of said meeting, that due notice of said meeting was given to the public and news media as required by Article 7 of the Public Officers Law and that the meeting was open to the public and that public notice of the time and place of said meeting was duly given in accordance with Article 7 of the Public Officers Law.

I FURTHER CERTIFY that there was a quorum of the members of the Town Board of the Town of Duanesburg present throughout said meeting.

I FURTHER CERTIFY that, as of the date hereof, the attached resolution is in full force and effect and has not been amended, modified or repealed.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the Town of Duanesburg this 28<sup>th</sup> day of September, 2023.

TOWN OF DUANESBURG

BY:   
Jennifer Howe, Town Clerk

(SEAL)

**TOWN OF DUANESBURG TOWN BOARD**

**RESOLUTION NO. 128 -2023**

**September 28, 2023**

**WHEREAS**, the Town Board of the Town of Duanesburg adopted Local Law no. 1 of 2023 regulating solar facilities; and

**WHEREAS**, the local law provided in section 7, 3, e, that “The applicant shall enter into a community host agreement providing a public benefit fee to mitigate the additional burdens placed on the town as a result of the project. The fee shall be utilized as a source of funding for prospective costs and expenses associated with an related to anticipated municipal services and additional infrastructure improvements to be provided as a result of the project’s presence within the town. The fee shall be in an amount established by resolution of the Town Board;” and

**WHEREAS**, the Town Board finds that the prospective costs and expenses are best predicted by the size of the facility and has determined that a public benefit fee of \$1000 per megawatt will be sufficient to defray these costs and expenses and are consistent with fees that are commonly charged by municipalities;

**NOW THEREFORE BE IT RESOLVED**, that the Town Board hereby requires a public benefit fee of one thousand dollars (\$1000) per megawatt of the rated design capacity of the Utility Scale Solar Energy System as the Town Board was authorized to require pursuant to Local Law no. 1 of 2023 such fee shall be paid pursuant to the terms of a duly approved community host agreement.

By a (unanimous/majority) vote of the Town Board of the Town of Duanesburg at its regular meeting on September 28, 2023

**TOWN OF DUANESBURG TOWN BOARD**

**RESOLUTION NO. 129 -2023**

**September 28, 2023**

**WHEREAS**, the Town Board of the Town of Duanesburg is considering the adoption of a local law to adjust taxation for certain volunteer firemen and volunteer ambulance personnel as set forth in the proposed draft Local Law number 2 of 2023; and

**WHEREAS**, Local Law number 2 of 2023 is attached hereto and was introduced for the consideration of the Town Board at its regular meeting of August 10, 2023; and

**WHEREAS**, the proposed Local Law is consistent with the law adopted by the Schenectady County Legislature for the same purpose; and

**WHEREAS**, the Town Board is the only involved agency for this type 2 action pursuant to the NYS Environmental Quality Review Act (SEQRA)—the adoption of a local law regarding the implementation of State authorized taxation relief for Ambulance and Fire volunteers as set forth in the attached local law;

**WHEREAS**, the Town Board declared itself lead agency pursuant to SEQRA and determined that the consideration and potential adoption of the attached local law is a type 2 action pursuant to SEQRA and no further SEQRA review is required; and

**WHEREAS**, Town Board accepted the introduction of local law number 2 of the year 2023 and directed a duly noticed public hearing be held at the September 14, 2023, regular meeting of the Town Board, which public hearing was held and continued until the September 28, 2023 regular meeting of the Town Board;

**WHEREAS**, the Town Board has carefully considered the local law and any public comments on the local law;

**NOW, THEREFORE, BE IT RESOLVED**, that the Town Board adopts local law number 2 of 2023 and directs that the Town Clerk file the local law with the New York State Secretary of State's office.

By (unanimous/majority) vote of the Town Board of the Town of Duanesburg at its regular meeting on September 28, 2023.

**PROPOSED LOCAL LAW NO. 2 of 2023**

**Town of Duanesburg**

**A LOCAL LAW REGARDING TAX EXEMPTIONS FOR MEMBERS OF  
VOLUNTEER FIRE COMPANIES OR VOLUNTEER AMBULANCE  
SERVICES**

**BE IT ENACTED** by the Town Board of the Town of Duanesburg, County of Schenectady, as follows:

*Section 1. Title of the Local Law*

This local law shall be entitled "A Local Law Regarding Tax Exemptions For Members Of Volunteer Fire Companies Or Volunteer Ambulance Services."

*Section 2. Authorization*

This local law is enacted pursuant to the Municipal Home Rule Law.

*Section 3. Purpose.*

The purpose of this local law is to provide a property tax exemption to volunteer firefighters and volunteer ambulance workers. A tax exemption benefit will attract and retain qualified personnel to emergency and fire services.

*Section 4. Tax Exemptions for Members of Volunteer Fire Companies or Volunteer Ambulance Services*

- A. Pursuant to section 466-a of the New York State Real Property Tax Law, real property owned by an enrolled member, or enrolled member and spouse, of an incorporated volunteer fire company, fire department or incorporated voluntary ambulance service shall be exempt from taxation by the Town of Duanesburg to the extent of 10% of the assessed value of such property for Town purposes, exclusive of special assessments.
- B. The person applying for the exemption has been certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department, or voluntary ambulance service as an enrolled member of such incorporated volunteer fire company, fire department, or voluntary ambulance service for at least two years. For Town and County purposes, the procedure for certification by the appropriate authority shall be determined by the Town of Duanesburg Tax Assessor;
- C. On or after the effective date of this local law, any enrolled member of an incorporated volunteer fire company, fire department or incorporated voluntary ambulance service

who accrues more than twenty years of active service and is so certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service shall be granted the ten percent exemption for the remainder of his or her life as long as his or her primary residence is located within the Town of Duanesburg, Schenectady County.

- D. Application for such exemption shall be filed with the Town of Duanesburg Tax Assessor for both Town and County purposes.
- E. Un-remarried spouses of enrolled volunteer firefighters or volunteer ambulance workers killed in the line of duty may continue the ten percent exemption, or reinstate a pre-existing exemption, provided that:
  - 1. Such un-remarried spouse is certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department or incorporated voluntary ambulance service as an un-remarried spouse of an enrolled member of such incorporated volunteer fire company, fire department or incorporated voluntary ambulance service who was killed in the line of duty; and
  - 2. Such deceased volunteer had been an enrolled member for at least five years; and
  - 3. Such deceased volunteer had been receiving the exemption prior to his or her death.
- F. Un-remarried spouses of deceased enrolled volunteer firefighters or volunteer ambulance workers may continue the ten percent exemption, or reinstate a pre-existing exemption, provided that:
  - 1. Such un-remarried spouse is certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department or incorporated voluntary ambulance service as an un-remarried spouse of a deceased enrolled member of such incorporated volunteer fire company, fire department or incorporated voluntary ambulance service; and
  - 2. Such deceased volunteer had been an enrolled member for at least twenty years; and
  - 3. Such deceased volunteer and un-remarried spouse had been receiving the exemption for such property prior to the death of such volunteer.

*Section 5. Separability.* If any section, subsection, phrase, sentence or other portion of this Local Law is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of any remaining portion hereof.

*Section 6- Effective Date* This Local Law shall be effective immediately upon passage and filing of the same with the New York State, Secretary of State's office.

**TOWN OF DUANESBURG**

**RESOLUTION NO. 130 2023**

**September 28, 2023**

**WHEREAS**, the NYS Office of Court Administration will not accept the application from the Town of Duanesburg Justice Court for funding from the Justice Court Assistance Program without the adoption of this resolution by the Town of Duanesburg Town Board (See attached instructions provided to Justice Wren and to the Town Clerk); and

**WHEREAS**, the Town Board supports the efforts of the Town Justices to seek a JCAP grant up to \$30,000.00;

**NOW THEREFOR BE IT RESOLVED**, that the Town Board determines that this is a type 2 action under SEQRA; and

**BE IT FURTHER RESOLVED**, that the Board of the Town of Duanesburg authorizes the Duanesburg Town Court to apply for a JCAP grant in the 2023-2024 grant cycle up to \$30,000.00.

By (unanimous/majority) vote of the Town Board of the Town of Duanesburg at its regular meeting of September 28, 2023.

Re: Application for funding from the Justice Court Assistance Program

Date: 9/26/23

---

The Town Court is requesting authorization from the Town Board to apply for funding from the Justice Court Assistance Program during the upcoming grant cycle. One required component of that application is a Resolution from the Town Board authorizing the Town Court to apply for this funding.

**The Division of Professional and Court Services will not accept the court's application unless the Resolution incorporates one of the following two options EXACTLY as written below:**

Option # 1

"The Board of the Town of Duanesburg authorizes the Duanesburg Town Court to apply for a JCAP grant in the 2023-24 grant cycle up to \$30,000.00."

Option # 2

"The Board of the Town of Name of Town authorizes the Name of Town Town Court to apply for a JCAP grant in the 2023-24 grant cycle up to \$ Amount Requested."

While the Resolution may include one or more "WHEREAS" clauses, it is essential that the "Be it RESOLVED" portion of the Town Board's resolution be worded exactly as one of the options indicated above (with the addition of the name of the Town inserted as shown above in both options and with the addition of the amount requested as shown above in the second option).

In addition, the Board Resolution must be certified.

**The deadline for our application is Friday, October 13, 2023.**

Thank you for your attention to this matter and for your help with the Court's application.

**2023-24 Duanesburg Town Court, Schenectady County ID: 5694**

**ANNUAL BUDGET:** Court's itemized budget for the most recent municipal fiscal year.

**AUTHORIZATION:** Certified copy of the Local Resolution(s) of the Town or Village Board(s) authorizing this application. The Resolution may simply state the Town or Village authorizes the court to request up to the maximum amount available.

**SUPPORTING DOCUMENTS:** Estimates, Photographs, Floor Plans, etc.

**JUSTICE SIGNATURE:** Original signature(s) required from at least one justice (not an Associate Justice).

Name: Patrick Wren Signature:  Date: 9/26/23

Name: \_\_\_\_\_ Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**CERTIFICATION:** Original signature(s) required by Town Supervisor or Village Mayor.

The following signature provides certification that: (1) any funds (and any goods or services) awarded pursuant to this application shall be used only in accordance with the provisions of Chapter 280 of the Laws of 1999 and with all rules and regulations governing the Justice Court Assistance Program; (2) any goods and/or services purchased with any Justice Court Assistance Program funds shall be obtained in accordance with acceptable procurement practices established by the governing municipality including, but not limited to, competitive bidding and procurement policies and procedures; (3) no funds awarded pursuant to this application shall be used to compensate justices or non-judicial staff or to reduce or otherwise supplant funding provided by a town or village to its justice court.

Signature:  Name: William Wenzel  
☒ Town Supervisor ☐ Village Mayor (please print)

Date: September 28, 2023

**REMEMBER: YOUR JCAP APPLICATION IS SUBMITTED ONLINE ONLY.  
YOU MUST MAIL, FAX OR SCAN/EMAIL SIGNATURE PAGE & DOCUMENTS REQUIRED ABOVE.**

# Duane Lake Association, Inc.

dedicated to stewardship of the waters of Duane Lake

**To:** The Duanesburg Town Board and Highway Department  
**Date:** 28 Sep 23  
**Subject:** Town actions needed, requested

---

## DUANE LAKE IS MORE ACCURATELY DESCRIBED AS A RESERVOIR.

The Duane Lake Association owns it, its mission being “stewardship of the waters of Duane Lake.” Half the 62 properties along the shoreline rely on lake water for household use. The lake is the uppermost headwater of the Watervliet Reservoir, which supplies water to more than 50,000 people, businesses, schools, and medical facilities in both the City of Watervliet and the Town of Guilderland.

The Association is active in monitoring water quality and doing what it can to manage it. There are some things, though, it cannot do—things that are beyond its ability or its authority, things that are within the power and authority of this Town Board.

To understand this situation in more personal terms, think about your own home and yard in this scenario: Your neighbors are good people who try to take care of their property. They make repairs and take care of their yards. They hire a contractor to move some dirt around to create a patio.

Then it rains. Water moves in ways it had not done before. It washes dirt into your garden. It carries septic effluent into your well. You are not happy.

That is our situation at Duane Lake.

And our neighbors are you—the Town Highway Department and the Town Board. Your well-intentioned efforts—some from as far back as the 1970s—are screwing up the outflow of lake water and damaging our dam. And there are some old leaky septic systems around the lake that DEC says are very likely the source of excess phosphorus and nitrogen as well as *E. coli* bacteria found in Duane Lake—systems that this Town Board has the power to have corrected.

To fix these problems—two of which are Town-caused problems, and the other being a Town-allowed problem—we ask you to do three things, probably none of which will cost the Town anything except the time to say yes and to set the work in motion.

**1. Amend the rules for the Duane Lake zoning district** to require inspection of septic systems upon sale (or any other kind of transfer of ownership). We know (by smell) some septic systems are failing. As a matter of public health, we must not allow this effluent to reach the lake.

A lengthy public information program for all lake residents explored four options for mitigating such effluent:

- A. a municipal sewer system,
- B. a Town-created lake management district that would require septic system inspection every five years (as is done at Otsego Lake),
- C. an amendment to the Duane Lake zoning rules that would require septic inspection upon transfer of ownership (as is done at Galway Lake, the Town of Queensbury, and several other towns), and
- D. doing nothing

A vote conducted on-line and via mailed ballots obtained about 70% participation (very high for such surveys). The community voted strongly against the municipal sewer system and strongly against doing nothing.

A follow-up vote found the strongest agreement for “inspection upon transfer of ownership.”

The Duane Lake Association has also circulated a petition and collected signatures of the many people who want you to amend the rules for the Duane Lake zoning district to require septic inspection upon transfer of ownership.

*Some recent history: Schenectady County officials and Tony Luisi, the regional director of DEC, intervened in late spring 2023 to initiate and fund a revision of a municipal sewer system proposal for Duane Lake. Prepared by Delaware Engineering, the proposal posted extremely high cost-per-homeowner figures, ignored new technology for onsite septic systems, community opposition to a sewer system, and lakewater test results, and was based on imagined widespread septic failure (no data to support this). The Duane Lake Association (DLA) submitted a detailed letter of opposition to Schenectady County officials, DEC, and the NY State Environmental Facilities Corporation. The DLA is seeking to have Schenectady County enroll in the NY State Septic Replacement Program. It would provide 50% reimbursement to homeowners in eligible watersheds who replace their septic systems.*

**2. Replace the town-road culvert** through which Duane Lake drains, preferably with a bridge.

The present culvert, installed in the mid 1970s, was inserted a foot too high, thus raising the level of lake water a foot too high. This means the lake lacks sufficient capacity to handle hurricane-scale storm water. Resulting over-flow of the dam is causing erosion of the dam. A blow-out of the dam would be disastrous not only for the lake but for downstream residents, properties, and ecosystems. This would be a huge legal liability for the Town.

New York State has a program that offers 100% reimbursement to Towns to

replace culverts. The Town Highway Superintendent has rejected our pleas to enter into this culvert replacement program.

**3. Remove built-up sediment and vegetation from the outflow canal.** Part of the outflow canal is within the legal right-of-way of the Town road and is thus a Town responsibility. Decades-worth of accumulated road sand has raised the bottom of the canal by approximately a foot and fostered the growth of brush and grasses that clog the outflow, contributing to the raising of the lake water level. Anything that raises the water level adds to the threat of dam failure. It is likely the initial canal clean-out would have to be done, anyway, as part of the bridge construction and so rolled into its cost and 100% reimbursement.

On behalf of the Duane Lake community, the Duane Lake Association respectfully requests the Town Board and Town Highway Department undertake these efforts to protect the lake, the dam, public safety, and public health.

# DUANE LAKE ASSOCIATION, INC.

dedicated to stewardship of the waters of Duane Lake

November 2022

## A Petition to the Duanesburg Town Board

**WE, THE UNDERSIGNED PROPERTY OWNERS OF THE DUANE LAKE COMMUNITY,** respectfully request that the Duanesburg Town Board amend the rules for the Duane Lake zoning district by requiring upon transfer of ownership a septic inspection and approval by a septic inspector certified by the New York Onsite Wastewater Treatment Training Network, Inc. (OTN), or a licensed civil engineer using OTN inspection protocols. Such an inspection requirement is normal in many lakeside communities in upstate New York.

### The Situation

Duane Lake is a reservoir. It feeds the domestic water supply for more than 50,000 residents, schools, medical facilities, and businesses in Duanesburg and downstream. It is the headwater for the Watervliet Reservoir, serving Guilderland and the City of Watervliet. In Duanesburg, 58 percent of the 62 lakeside households along the shores of Duane Lake rely on the lake water, mostly because drilling water wells in this area is often unsuccessful. About a quarter of the homes also use it for drinking water. Analyses of water samples are now showing both *E. coli*—a bacterial indicator of fecal contamination—and toxins produced by blue-green algae, which are fed by septic pollutants.

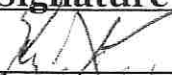

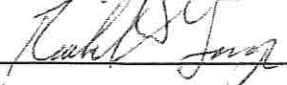

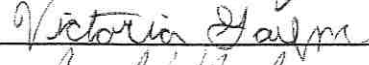

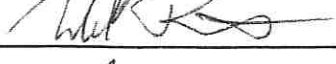

As a matter of public health, it is imperative that leakage from old and inadequate septic systems around Duane Lake be controlled.

In a 2020 survey of all Duane Lake households (to which 40 households responded, or 65 percent—an extraordinarily high survey response rate), a ranked-choice vote determined that septic inspections upon property transfer to be—by far—the preferred way to protect the lake from septic effluent.

The other three choices offered were: a conventional municipal sewer system, a septic management district that would require testing of every lakeside septic system every five years, and "do nothing."

### Our Request

The residents of Duane Lake did not vote for the "do nothing option." We want and need your help in protecting this water. Please act on this petition.

Duane Lake is a reservoir. It feeds the domestic water supply for more than 50,000 residents, schools, medical facilities, and businesses in Duanesburg and downstream. It is the headwater for the Watervliet Reservoir, serving Guiderland and the City of Watervliet. In Duanesburg, 58 percent of the 62 lakeside households along the shores of Duane Lake rely on the lake water, mostly because drilling water wells in this area is often unsuccessful. About a quarter of the homes also use it for drinking water. Analyses of water samples are now showing both *E. coli*—a bacterial indicator of fecal contamination—and toxins produced by blue-green algae, which are fed by septic pollutants.

As a matter of public health, it is imperative that leakage from old and inadequate septic systems around Duane Lake be controlled.

In a 2020 survey of all Duane Lake households (to which 40 households responded, or 65 percent—an extraordinarily high survey response rate), a ranked-choice vote determined that septic inspections upon property transfer to be—by far—the preferred way to protect the lake from septic effluent.

The other three choices offered were: a conventional municipal sewer system, a septic management district that would require testing of every lakeside septic system every five years, and "do nothing."

### Our Request

The residents of Duane Lake did not vote for the "do nothing option." We want and need Town Board help in protecting this water. Please act on this petition.

## A Petition to the Duanesburg Town Board

**WE, THE UNDERSIGNED PROPERTY OWNERS OF THE DUANE LAKE COMMUNITY,** respectfully request that the Duanesburg Town Board amend the rules for the Duane Lake zoning district by requiring upon transfer of ownership a septic inspection and approval by a septic inspector certified by the New York Onsite Wastewater Treatment Training Network, Inc. (OTN), or a licensed civil engineer using OTN inspection protocols. Such an inspection requirement is normal in many lakeside communities in upstate New York.

### The Situation

Duane Lake is a reservoir. It feeds the domestic water supply for more than 50,000 residents, schools, medical facilities, and businesses in Duanesburg and downstream. It is the headwater for the Watervliet Reservoir, serving Guilderland and the City of Watervliet. William Wenzel, Supervisor  
Town Board  
Town of Duanesburg  
5853 Western Turnpike  
Duanesburg, NY 12056

Transmitted via email: [jhowe@duanesburg.net](mailto:jhowe@duanesburg.net)

September 28, 2023

Re: Town Board Meeting Privilege of the Floor Statement

Dear Supervisor Wenzel and the Town Board,

Currently, the town prohibits viewers of town zoom meetings to speak. I respectfully request that my privilege of the floor statement is read into the town meeting record and included in the meeting minutes.

Since May 2023 there have been four battery storage fires in New York State. In July 2023 Governor Hochul created the New York State's Inter-Agency Fire Safety Working Group to provide guidance on battery energy storage systems.

I request that the town halt installation of battery storage at Oak Hill Solar 1, LLC and Oak Hill Solar 2, LLC (the "Project"). The State should provide guidance before the Project's battery storage projects are installed. The town and county should provide a detailed emergency plan on how the residents will be notified of a fire and provide an adequate health and safe emergency plan for the community.

#### HISTORY OF OAK HILL SOLAR 1, LLC and OAK HILL SOLAR 2, LLC

In 2021-2022 the Planning Board reviewed and approved the Amendment to the September 19, 2019 Special Use Permit for Oak Hill Solar 1, LLC and Oak Hill Solar 2, LLC. The Amendment added Powin battery energy storage systems to the two projects. During Amendment review I notified the town that lithium-ion battery fires may produce life threatening toxic fumes that may require evacuation and/or shelter in place measures for the town residents. I requested that the

Project and Town provide information on how the neighbors would be informed of a fire and the likely safety protocols.

The Project and Town did not provide any information for:

- guidance on notification methods;
- distance for evacuation/shelter in place;
- duration of safety protocol;
- treatment plans for those exposed to toxic fumes; or
- how toxic fumes would be tested and safely addressed.

Freedom of Information requests indicate that to date the Project and Town have not provided guidance for their response to a battery energy fire. On June 22, 2023 the Project owners informed the town that their legal structure and ownership had changed. As of September 1, 2023 little to no work occurred at the Project beyond some mowing.

### HISTORY OF BATTERY FIRES

Between 2017 to 2019 there were more than 28 battery fires in South Korea.

The April 19, 2019 fire at a battery energy facility in Surprise, Arizona injured four firefighters and prompted an in depth review of energy storage projects. After a long investigation the cause of the explosion was traced to a defective lithium-ion battery cell manufactured by LG Chem and other design choices at the time of installation.

The July 30, 2021 Tesla battery fire Victoria Big Battery in Australia is reported to be a result of a leaking cooling system that resulted in a short circuit which caused the fire.

The September 20, 2022 fire at Moss Landing's Tesla battery energy storage system appears to be a result of a failed fire suppression system that leaked water onto the battery system and caused the batteries to short circuit and spark the conflagration.

Research for the cause of the September 26, 2023 fire at Genex Power's Tesla battery storage facility in Queensland Australia has just begun.

The Battery Energy Storage System ("BESS") Database tracks publicly available information for BESS fires across the globe. The list is rapidly growing with eight battery fires in 2023. The database may not record all BESS fires. Concern about battery energy storage fires, the toxic fumes and potential to contaminate soil and groundwater is growing.

## RECENT EVENTS IN NEW YORK STATE

On June 26, 2023 there were two separate battery energy storage fires in Warwick, Orange County, New York. Convergent Energy owned both facilities. Powin manufactured both battery systems. It is reported that Convergent and Powin both declined invitations to attend town meetings to address the health and safety of the community.

Convergent issued a press release stating that they rely on partners to manufacture and install the battery storage systems. As the project's owner, they only provide support to Powin who is responsible to assess the source of the problem and determine the response. It appears that Powin has not issued a response to the town.

Powin's lack of response and guidance to the Town of Warwick raises concern on how the company may respond to the Town of Duaneburg and the taxpayers at the time of an accident. It appears that project owners may kick the can of responsibility down the road. This may leave the town holding the bag.

In New York State there have been numerous battery energy fires including, but not limited to:

**PARTIAL LISTING OF BATTERY ENERGY FIRES IN NEW YORK**

DATE	STREET	TOWN	COUNTY	OWNER	BATTERY SOURCE
May 31, 2023	Cove Hollow Road	East Hampton	Suffolk	NextEra Energy Resources	Unknown
June 26, 2023	Church Street	Warwick	Orange	Convergent Energy and Power	Powin
June 26, 2023	Route 1 A	Warwick	Orange	Convergent Energy and Power	Powin
July 27, 2023	County Road 179	Chaumont	Jefferson	Convergent Energy and Power	GE

## LOCAL AND STATE ACTION CONCERNING BATTERY ENERGY FIRES

In the past two months concerned towns, including the Montgomery Town Board have tabled battery energy projects. Counties and towns such as Southampton and Southold have adopted moratoriums on battery storage projects. In late August 2023 Gov. Hochul created the New York State's Inter-Agency Fire Safety Working Group to provide guidance on battery energy storage systems.

## TYPICAL EMERGENCY RESPONSE TO BATTERY FIRES

Currently there is no way to extinguish a battery fire. Emergency responders are told to cool the surrounding area with water. This may go on for days and may over burden rural volunteer fire departments that lack fire hydrants to provide a constant water flow.

Media reports and town meeting minutes indicate that shelter in place or evacuation orders are issued for communities experiencing battery fires.

Moss Landing's Tesla Megapack fire had a day-long shelter in place order for a three mile radius including Highway 1. The Town of Warwick and the Town of Lyme issued shelter in place orders.

## CLAIMS OF AIR QUALITY AT LOCATIONS OF BATTERY ENERGY FIRES

Neighbors and media near battery fires report that the air smells toxic for days. Project owners may claim that their air quality reports are normal. Common sense is that if it smells bad then it is likely bad for your health.

Officials at the September 11, 2001 World Trade Center tragedy claimed that air quality reports were normal. Years later numerous first responders and people at the site developed life treating disorders. Billions of dollars may be awarded to compensate for health issues and medical payments to victims south of Canal Street that breathed the toxic air between September 11, 2001 and May 30, 2002.

Similarly, energy developers claims of safety may be inaccurate. The town should do everything to protect the residents health and safety as well as the taxpayer's funds.

## POWIN AND GREENCELLS

Powin's business model is to sell a product, battery energy storage systems. It appears that they do not provide engineering, procurement and construction. The quality of Powin's battery system may not matter. Their product is only as good as its installation, maintenance, and inspection.

Greencells is the contractor for Oak Hill Solar facilities. In April 2022 they began construction. In December 2022 thousands upon thousands of solar panels collapsed to the ground. Little to no work has occurred at Oak Hill Solar in 2023. Broken panels may remain on the ground. It appears that the facility is not compliant with:

- racking height of 9 feet above grade in storm position as shown on the approved site plan;
- seeding and mulching bare earth as required by the SWPPP;
- limiting site disturbance to 5 acres at a time as required by the SWPPP;
- planting of evergreen trees as shown on the approved site plan detail; and
- limiting work hours to weekdays 7AM to 7 PM as defined in the FEAF.

It appears that Greencells may not be complete with the approved documents and it may not provide operational solar facilities as promised.

There is little to no evidence that the Project owners will assist the town with safety and environmental protection if a battery fire occurs.

#### CONCLUSION

I request that the Town of Duanesburg halt the installation of battery storage systems at the Oak Hill Solar facilities until the State provides guidance on this novel and dangerous energy system. Additionally, I request that the Town of Duanesburg develop, hold public review, and issue a detailed plan on how neighbors are informed of and protected from fires, toxic fumes, and contamination of soils and groundwater that may originate from failures of the battery storage facilities.

Thank you for your time and consideration.

Respectfully,  
Susan Biggs
