Committee Reports

Highway: Council Member Passonno reported that he met with Superintendent Reed and we have the following updates: Gorman Brothers did single chip seal on Hillman, West Shore, Railroad Ave in the Village and Town. Gorman did double chip on North Hillman, North Knight and Skyline Ext. The lowboy has been delivered and is in use, we have currently saved \$600 in mobilization charges. General vehicle maintenance is being conducted as needed. Driveway aprons on Hillman and Mudge have been completed as well as the one left over on Humphrey Rd. from last year.

Public Safety: Council Member Leoni reported that he attended the UCC budget approval meeting last week. There is a capital project for a new 911 switch and the mapping system, this is to provide better and more pinpoint accuracy for dispatching calls. It was reported that the county does not know how to allocate the casino money that they received.

Parks: Council Member Leoni reported that the Park Program is in full swing and going smoothly; DVAC and the National Guard both put on demonstrations for the kids. The installation of the lights at the Point is underway and hoped to be up and running by end of month. The park committee discussed allowing alcohol at the parks and it was decided to leave the rules the same and not allow alcohol at the parks.

Sewer District #3: A preconstruction meeting was held and they are looking to start the project in late August w/boring across the main roads and start putting the pump station behind the fire house. Supervisor Tidball announced that the town has received a \$750,000 grant for SD#3 and is being handled through the EFC.
